

# MIDNIGHT FARMS "THE EXPERIENCE"

## THE RE-LAUNCH!

We are excited to announce we will be introducing new and improved Experience Classes at Midnight Farm! Starting March 5th there will be classes offered on Mondays, Wednesdays and Fridays. 3 classes will be scheduled per day and each day will have a different lineup so there is plenty to enjoy! We will have some new expectations and guidelines to help the program run as smooth as possible.....

--There is a 12 person limit for every class so please RSVP as soon as possible! You are welcome to spend the whole day or just one or two classes just let us know. I will be starting a Google Doc that everyone will have access to so you can put in your reservations. Communication is the key to success so please let me know if you need to make any changes or updates!

--Lunch will be eaten in the Bunk house. Please B.Y.O.L! There will be a few things for staff on hand if needed.

-- Please read the class description attached to the schedule to make sure the classes are a good match for the individuals you send.

--Staff will be expected to help their individuals and supervise so they stay in the designated area during class, with that being said please send enough staff to do so.

I will also have my own individuals with me from our farm-goers. They will help me set up and run the classes.

If you have any questions about what each class entails please feel free to contact me! I hope to see you all very soon!
